BUFFALO™

External Storage

DriveStation™ Quad

2 YEAR WARRANTY

The Buffalo DriveStation™ Quad is a high performance, multimedia, eSATA & USB 2.0 external hard drive perfect for the home or small office that requires large amounts of storage space.

The unit is a four drive; four bay RAID enabled drive with RAID 0 for performance and RAID 5 or 10 for redundant storage. The DriveStation™ Quad gives additional storage to quickly backup all your multimedia files.

With data transfer speeds of up to 235MB/s, compatible with Windows Server 2003/2008 and available with NovaStor NovaBACKUP Business Essential backup software, the DriveStation™ Quad quickly backs up your entire server system and database.

The DriveStation™ Quad comes complete with the Buffalo Tools suite of complimentary software that offers enhancements such as TurboPC and TurboCopy to improve the file transfer and copy performance of the drives.

The DriveStation™ Quad features the capacity, redundancy and performance required for any demanding user, the perfect solution for backing up large servers or multimedia files.
